The Tree of Lights

Light a Candle for Someone Special

Established in 1989, Friends of Cranberry Hospice is dedicated to supporting the work of Cranberry Hospice & Palliative Care.

Hospice care provides medical, emotional, social and spiritual support to patients and their families. It provides a means of maintaining dignity and quality of life as long as life lasts, so patients can spend their final days at home surrounded and comforted by the people they love.

Cranberry Hospice & Palliative Care serves the communities of Bourne, Carver, Duxbury, Halifax, Lakeville, Marshfield, Middleboro, Pembroke, Plymouth, Plympton and Wareham. There are times when patients living in surrounding towns can also be accommodated.
